

Fordewind Group is a fast-growing tech-focused finance company specializing in investment in alternative assets and investment banking services. The company is founded and led by highly experienced financial professionals (ex. J.P. Morgan, UBS, VTB Capital, Sberbank CIB, EY, KPMG).

The group is based in Dubai and Moscow. Nowadays we enter new markets primarily in Asia, South America and Eastern Europe in order to expand our presence into new countries.

We are looking for intern to join our core credit department and accelerate the firm's global expansion into new markets, providing an opportunity to dive into multiple practices, exclusive team spirit, challenging tasks and chance to grow into leadership role quickly.

### **Key Responsibilities**

- Credit analysis of SME companies, including granting approvals and setting limits;
- Assistance in determining optimal structure in terms of collateral;
- Comprehensive verification of provided financial data;
- Development of internal scoring models and credit analysis methodology;
- Business development streams and critical review of new opportunities;
- Assistance with ad-hoc tasks.

### **Requirements**

- Top of the class with preferences given to faculties with in-depth study of mathematics, physics or economics (MIPT, Bauman MSTU, NES, HSE, MSU);
- Understanding of corporate finance, economics and accounting concepts;
- High motivation and ability to work long hours;
- Good knowledge of VBA or Python would be a plus;
- Fluency in English.

### **Our Offer**

- High competitive salary as in foreign investment banks;
- High level of independence with significant opportunities for career and professional growth;
- Demanding but supportive environment and ambitious complex tasks;
- Flexible and “startup-like” working environment with a unique team spirit.
