

Web Project manager

Fordewind Group is a fast-growing tech-focused finance company specializing in investment in alternative assets and investment banking services. The company is founded and led by highly experienced financial professionals (ex. J.P. Morgan, UBS, VTB Capital, Sberbank CIB, EY, KPMG).

The group is based in Dubai and Moscow. Nowadays we enter new markets primarily in Asia, South America and Eastern Europe in order to expand our presence into new countries.

We are looking for junior and middle web project manager to join our core credit department and accelerate the firm's global expansion into new markets, providing an opportunity to dive into multiple practices, exclusive team spirit, challenging tasks and chance to grow into leadership role quickly.

Key Responsibilities

- Maintenance and development of current projects;
- Automation of current processes;
- Development of business processes within the company's CRM system;
- Analyzing and processing user experience data within the CRM system to facilitate its improvement;
- Enhancing the BNPL products;
- Establishing sales channels for company products through the website or other channels;
- Business development streams and critical review of new opportunities.

Requirements

- Strong analytical skills;
- Good communication skills, ability to work with cross-functional teams;
- Top of the class with preferences given to faculties with in-depth study of mathematics/physics (HSE, NES, MSU, MIPT);
- Fluency in English;
- Experience in product or business analytics would be a plus;
- Understanding of finance, economics, and accounting concepts would be a plus.

Our Offer

- High competitive salary as in foreign or domestic IT companies or banks;
- Transparent bonus system;
- High level of independence with significant opportunities for career and professional growth;
- Flexible and "startup-like" working environment with young and motivated team members;
- Opportunity to lead new business lines worldwide;
- Position in Moscow or Dubai (a temporary residence permit could be provided).
